

## TUITION RATES

Grace Weekday School tuition is due every Monday that your child is in care. Tuition is late on Tuesday morning. The late fee is \$25.00 which is payable with the week's tuition. If tuition has not been paid by Wednesday, your child may be taken out of attendance until tuition is paid. Any family that has more than one child at the school will receive a 10% discount on the child paying the lesser tuition. Children must live in the same household to receive this discount. Tuition stays the same if your child is absent any amount of days. Tuition also stays the same if there are holidays or days closed during the week. You may take two weeks out of the year that your child does not attend the school and pay only half of their regular tuition to hold the slot. Your two half tuitions begin on September 1<sup>st</sup> of each school year.
